THE WHITE ELEPHANT'S FINAL TRICK

PROGRAMME NOTE

The White Elephant's Final Trick is a concert piece for wind band. The expression 'white elephant' is used as inspiration by the composer. A white elephant is something that has cost a lot of money but has no useful purpose. The suggestion of a final trick of this white elephant is put on music by the composer. Three small but different movements are three interpretations of this final trick which can be furious, melancholic and odd.

Optional parts are marked in the score at the instrument names.

STAN NIEUWENHUIS

Stan started playing music when he was about 8 years old, with the trumpet and the piano as his first instruments. Later on he studied at the Lemmensinstituut in Leuven where he received his Master degree in trumpet performance. Meanwhile, Stan started composing and arranging and took masterclasses with Wim Henderickx, Diederick Glorieux and Luc Van Hove. After his classical music studies Stan moved to Rotterdam to study Sound Engineering.

Great international soloists like Harmen Vanhoorne, Glenn Van Looy, Kristy Rowe and Tim De Maeseneer play and record Stan's solo pieces. They have already won several awards performing these pieces: the Ern Keller Memorial Trophee (AUS), British Open Solo Competition (UK), Land 'o' Burn Solo Prize (UK), the International Ensemble and Soloist Concours (NL), Eurobrass Solo Prize (NL). His works for Brassband or ensemble are being played and recorded by Exit_Brass!, Brassband Buizingen, Brassband Hombeek and the WDR Brassband from Cologne.

Stan does not only compose for Brassbands and wind bands. He also creates electronic soundtracks for documentaries and tv and he writes popsongs with his indie band, mastercab.

"Stan clearly has a talent for music, which allows him to be creative in very different ways. There's no need for restrictions. His range is very wide and varied.. His encounters with pop music and sound engineering confirm that."

Dr. Luc Vertommen, conductor, arranger, publisher.

"Stan Nieuwenhuis is a composer to keep an eye on. He's a fresh young mind, with a funky side."

Glenn Van Looy, Euphonium soloist.

"After working with Stan to accomplish/on several smaller projects, I asked him to write a new solo piece for me, to compete with in the EuroBrass Competition. In only one month's time he finished Fortune's Fool and with success, I've already won several awards with it."

Harmen Vanhoorne, Cornet soloist

"Highly inventive, innovative and evocative music"

John Maines, The Brass Herald

"Nieuwenhuis has created an engaging emotional journey - a dazzling virtuoso showpiece"

Paul Hindmarsh, British Bandsman
